› Kingsgrove Seat

› Features

Standard Length: 1800mm length

Plank: Kwila Timber

Frame and Legs: Available in flange/
core/freestand leg style. Cast aluminium -
powdercoated to choice of DULUX[®] colour

Fixings: Supplied with 316 s/steel anti vandal
fixings

› The Kingsgrove takes all the design features of the Riverside and gives it to you with the added luxury of plantation sourced and pre-oiled Kwila timber slats. The high grade Kwila timber seat requires a periodic coating with an outdoor oil to maintain its beautiful natural timber look.

The die cast frames are produced from 100% recycled materials and can be powder coated in a range of Dulux colours.
